**Dear Scholarship Applicant:**

Enclosed are the full particulars regarding the New Jersey HaGalil Region's Tikun Olam Scholarship Program. All money used for this program is collected through USY's tzedakah project, Tikun Olam.

As many of you know, 30% of all monies raised by our region through Tikun Olam, becomes available for use as scholarship money for the summer programs. Therefore, the amount available for scholarship use varies from year to year. Actual scholarships are awarded by the United Synagogue Regional Scholarships Committee **BASED ON FINANCIAL NEED AND INVOLVEMENT IN USY.**

So that we may expedite and properly process your request, please follow these steps:

1. Fill out the enclosed application and return it to this office **NO LATER THAN APRIL 5, 2012.** Appointments with the scholarship committee cannot be made until the completed application is received. This includes the tax information discussed in #2 below. Please note that this application, except for the tax information, must be filled out by you, the USYer, not by parents! Interviews will be scheduled for May 1<sup>st</sup> and the 8<sup>h</sup> if needed- please keep both dates open). This is the only time that the committee is meeting for interviews.
2. Have your parent(s) answer the financial questions with regard to income and make certain that they return these answers along with a copy of their latest Federal Income Tax Return (a 2010 return may be acceptable) inclusive of all supporting schedules. The tax returns must include copies of W-2 forms, as well as 1099's and supporting documents.
3. You must begin the application procedure for the program of your choice (ie: Wheels, Pilgrimage, etc.), as you would be disappointed to receive a scholarship, only to find your program filled.

Rapaport House  
820 Second Avenue  
NY, NY 10017-4504

4. Your application must include a photo of yourself. We interview many USYers this helps us to identify those we've met with. It is used strictly for identification purposes.
5. There are many applicants each year and only a limited amount of available funds. All applicants are encouraged to seek assistance from other sources (Synagogue, Rabbi, Federation, etc.).
6. Return the completed application and have all references sent to my attention at:

**HaGalil USY Scholarship Committee  
1090 King Georges Post Rd., Suite 1003,  
Edison NJ 08837**

The Scholarship Committee will make thoughtful and reasonable determinations based on the information provided. You are urged to submit a thoughtful, neat and complete application. Please remember that this is a need based scholarship.

If your application meets the criteria, you will be asked to come to the Regional office for a personal interview. This interview is for the USYer (not the parent), and will be held on May 1<sup>st</sup> (and the 8<sup>h</sup> if needed- please keep both dates open). Since interviews are scheduled every fifteen minutes it is imperative that you address any extenuating circumstances without delay. Due to the large number of applicants, please understand that each interview is structured. The applicant will be asked several questions by the committee and then will have an opportunity to address the committee.

You can feel comfortable sharing any information with the members of the committee as it will be held in the strictest confidence. Please note that pursuant to national Tikun Olam policy, there will be at least one USY representative sitting in on your interview. If you are uncomfortable with any member of the committee, please do not hesitate to say so. Should a member of the committee be a member of your synagogue, or an acquaintance of any kind, he or she will be excused from your interview and will not be made privy to your application.

If there is a certain amount of money without which you will not be able to attend your summer program, the committee must be so informed. In situations of demonstrated needs, significant additional monies could be made available to you.

Finally, there are limited funds available and the committee has some very difficult decisions to make. Our objective is to help those USYers who otherwise could not attend a USY summer program, have the opportunity to participate.

We will do the very best that we can, but not everyone who applies receives a scholarship.

Applicants will be notified within two weeks of their interview of the committee's decision. You will be informed by mail. Please understand that all funds will be allocated and therefore the decision of the committee will be final.

Finally, all financial information will be held in the strictest confidence. Good luck!

Sincerely,

*Sebley Hausler*
